Application Granted. Defendant Robert Farkas' conditions of bail are hereby modified to: (i) permit the use of computers, smartphones and the internet; (ii) remove the condition of home detention; and (iii) impose a curfew from 11:00 pm to 7:00 am with the use of location monitoring during curfew hours. All other condition of bail shall remain in effect. The Clerk of the Court is directed to terminate the letter motion at docket number 49.

Re: United States v. Sohrab Sharma, et al., 18 cr 340 (LGS)

Dated: July 31, 2018
New York, New York

 LORNA G. SCHOFIELD
 UNITED STATES DISTRICT JUDGE

Dear Judge Schofield:

We represent Robert Farkas in the above-referenced matter. We are writing, with the consent of the government, to respectfully request a bail modification from home detention to a curfew and a lift of the prohibition against the use of computers, smartphones and internet. Currently, the terms and conditions of Mr. Farkas's release are home detention with location monitoring. Mr. Farkas is also prohibited from use or access to any computer, smartphone or the internet.

This request was discussed with AUSAs Samson Enzer and Negar Tekeei, who have informed us that the prosecution does not oppose this application to lift the prohibition against the use of computers, smartphones and the internet, and for a curfew with the condition that location monitoring with an ankle bracelet remain in place for a curfew. Pre-Trial Services also does not oppose Mr. Farkas's application for a curfew. It is our understanding that Pre-Trial Services consents to a curfew from 11 pm to 7 am.

We are available to discuss this matter further at the Court's convenience should the Court have any questions or need any further information.

Respectfully submitted,

/s/ Daniel J. Horwitz
